En plena proyección internacional, ha debutado en Andorra en el club The Boss y en Londres en la fiesta Fox in the Box en Union. Próximamente, llevará su sonido a ciudades clave como Ámsterdam, París, Berlín y Praga, además de un tour por Colombia previsto para 2027.

Además, es fundador de Amitie junto a tres socios, una promotora de eventos con base en Pamplona con residencia mensual en Katos Disco, y con el próximo lanzamiento de su propio sello discográfico, Amitie Records.

Actualmente, continúa expandiendo su carrera con nuevos proyectos y próximos lanzamientos en producción musical.

BIOGRAPHY

Jonay Rodz is a DJ from Spain (Navarra) whose sound blends tech-house, deep house, and techno, with a clear focus on the dance floor. He began his career at just 17 years old as a resident DJ at Box-Totem, one of Pamplona's leading clubs, where he developed his artistic identity.

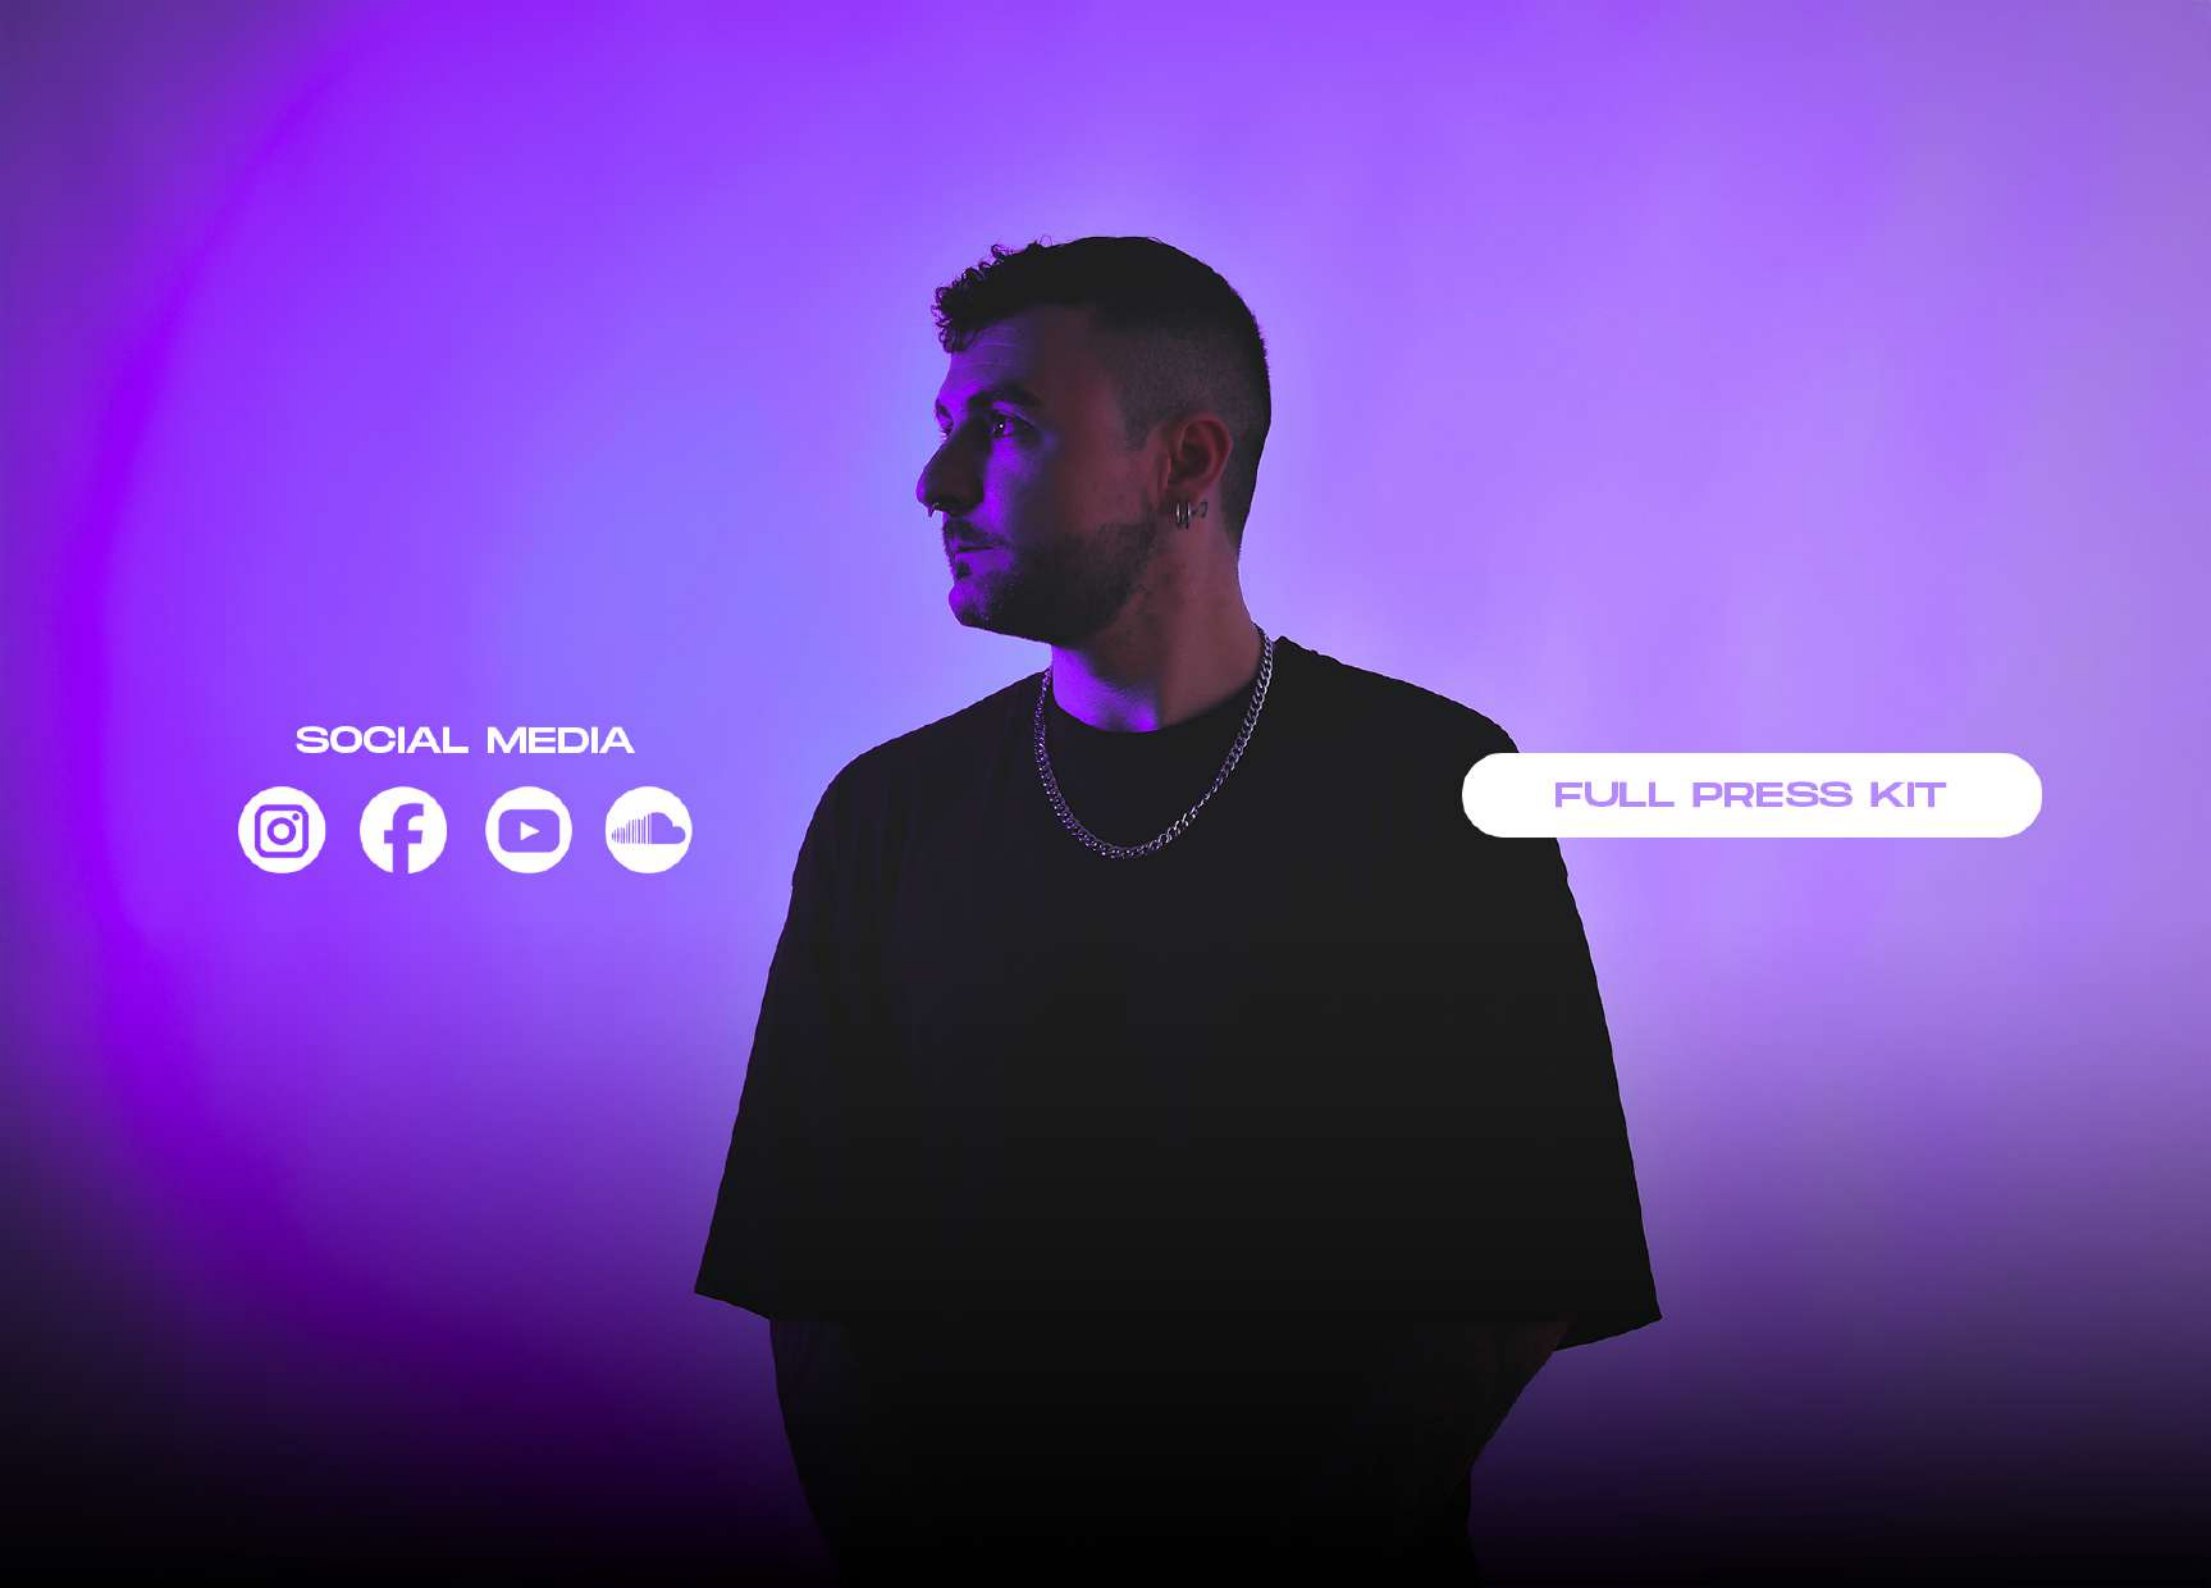

He has performed in locations such as Ibiza, Valencia, Tarifa, and Barcelona, including appearances at Pacha Barcelona and Eden (Ibiza), as well as clubs like Lolás Club (Ibiza), Waves (Tarifa), New Guass (Gipuzkoa), Miniclub (Valencia), Kube (Navarra), Movie Music Club, and the renowned Florida 135 (Fraga), sharing the DJ booth with artists such as Stefano Noferini, Deborah de Luca, Affkt, Marc Maya, Cal Smile, Luca M, Andrés Campo, Mendo, Nader Razdar, Lexlay (Happy Techno), Nuke (Fabrik), Oscar Aguilera, Mathew Codek, Richie Risco, Dario Nuñez, Guille Placencia, and George Privatti.

Currently on the rise internationally, he has made his debut in Andorra at The Boss club and in London at the Fox in the Box party at Union. He will soon be taking his sound to key cities like Amsterdam, Paris, Berlin, and Prague, in addition to a tour of Colombia planned for 2027.

He is also the founder, along with three partners, of Amitie, an event promoter based in Pamplona with a monthly residency at Katos Disco, and the upcoming launch of his own record label, Amitie Records.

Currently, he continues to expand his career with new projects and upcoming releases in music production.
